Hi, my name is Yanira Soria, I have been an instructional aide since 2015. I have assisted both 2nd and 4th grade students. I enjoy assisting the 4th grade students and sharing my love for the Gold Rush, the Missions and reading "By Horn Spoon!" book. On my time off I love watching sports, playing video games, board games and listening to music! My goal is to provide thoughtful and excellent Christ-centered instruction for our students. I'm looking forward to this year!
