

eBlast

May 2, 2019

Dear Parents and Guardians,

Just a quick reminder:

Extended Care **WILL BE** open next Wednesday, May 8th . . . we are on a minimum day schedule, so the faculty can attend an in-service.

Extended Care **WILL NOT BE** open on Friday, May 10th . . . we are having our all school disaster drill. There will be a set of guidelines/procedures sent home in the Monday envelope for you to read over. Once again, your notification will be done through the phone tree volunteers.

Phone Tree volunteers . . . please be sure you have the 2018-2019 list available at your fingertips.

Last call to return . . . registration fees that were due in March and registration packets that were due in April. So far, we still have you on the classroom lists for next year, but I will share that we are building waiting lists for some grade levels. Yesterday, Mrs. Winter sent an email to the families that we are missing. Thank you for your cooperation in this matter.

Blessings,
Arlene
